

Tassie Face Masks are very grateful to the many sewers that have given of their time to make cloth masks over past weeks.

More than 500 masks were distributed in Southern Tasmania last week.

The portal for Tasmanians to register is: www.tassiefacemasks.com.au

Sewers can register in the section "Mask Donation Form" .

Mask patterns are found under **sewing patterns** in the drop down box - right hand top corner of the site.

This link leads to patterns for:

- face masks with elastic
- face mask with ties
- headband with buttons
- basic scrub cap with elastic (no ties)
- scrub Caps for long hair

A headband and scrub cap combo pattern will be released soon.

The Facebook site for Tassie Face Masks is:
