

Hello

This is just a quick newsletter to let you know that I've re-opened the shop - with appropriate social distancing and a bottle of hand sanitiser! Usual hours: 10 - 4.30 Wed - Fri, or by appointment. (Please excuse the scraping and painting going on at the front of the shop!)

Thank you to everyone who's bought from my new online shop. Most of the bundles and bags online aren't out in the shop - and vice versa - so if you see something you like online please buy it there and message me to say if you'd like to collect it in the shop (I'll discount the postage you save me!)

Some photos around the shop below - including some lovely organic cottons on nice little wooden reels that I'm now stocking. These aren't Japanese, but were irresistible!

I hope that everyone has managed ok through this difficult time - and that we can slowly start getting back to normal.

Thank you as always for supporting Wafu Works.

Best Wishes

Jan
