

How to Get to the Art Studio at the Friends School:

o **If you are coming from the City**, drive up Argyle Street from Davey Street passing both Federal and then Yardley Streets and take the next street on the left, which is Ryde Street. (On your right is a Thai Restaurant and the North Hobart Footie ground)

o **If coming from Moonah** come along Argyle Street and past the Friends Primary school on your left. Come under the overpass, Rydges Hotel on your left and then the Footie Ground and turn Right into Ryde Street.

o Drive along Ryde Street, which becomes Carr Street immediately you turn right up the hill and also becomes two levels. On the left you will pass two tennis courts and a couple of cream painted buildings. You have arrived! Stop at the red brick wall and there is a telephone pole on your left.

There is no street number, but you are pretty much opposite 7 Carr St.

o Walk through the entrance in the brick wall beneath the tall steel forms. The Art Studio we are using is immediately on your left. Turn left down a few stairs to the doorway. If it is still locked I haven't arrived yet!
