

How to find the Colour Circle Studio, 555 Nelson Road

Drive up the Southern Outlet and take the turn off to Mount Nelson.
(reminder 50kph speed limit)

Proceed along Nelson Road, past the Mount Nelson store on your right. Keep going up Nelson Road for about another 800m. You will see the park and the Oval coming up on your left. Slow down! The numbers are often misleading or not very clear, so please go by these pictures.

Just pass this turn off, park on the lhs of Mount Nelson Road – there's lots of space.

On your left tucked in behind the trees is the studio. Believe me, it is like Alice in Wonderland's rabbit hole – that door opens onto a wondrous space! We are so privileged to be able to use this on Sundays!

You must sanitise on entry
