

How to find the Kingborough Women's Club Rooms (KWCR)

- Coming from the City, once you come to the intersection near Coles in Kingston, proceed down Beach Road to the waterfront.
- Turn right onto the Esplanade.
- Turn into Ewing Ave off the Esplanade.
- Follow the road around and turn left into the cricket ground. Continue to follow the road until you see some parking near the building pictured above. This is the KWCR, just to the left of the grandstand.
- Alternatively, there is an offstreet parking area on the right just after Wafu Works as you come down Beach Road. Do check time limits if you park out on the street anywhere.
- If you are parking on the street or in the Beach Road parking area, you can easily walk down the left hand side of the Hall and the KWCR is readily visible.
- The one place you **MUST NOT PARK** (no matter how tempting it might appear) is in the car park between the Hall and the Second hand shop, as it belongs to the shop. Marked by a red X on the map below.
