If travelling **south** towards Hobart along Main Road, **turn right** into Albert Road at the Post Office intersection.

The entrance is quite a short distance along Albert Road on your left. There is some parking behind the Centre for the early birds (you will be given a **voucher**). **DO NOT** park in the staff only spaces along the wall as you exit towards Albert Road from behind the building.

If you park outside in the street, do be mindful of parking restrictions.

The doorway we use for entrance to the workshop: Stand on Albert Road facing the Centre. The doorway to the workshop area is a small doorway on your right, quite near the exit road out from behind the building.

If the door is locked, telephone the number you have been given in your email for your workshop to gain access.
